SERIES

IN-WALL STEREO/HOME THEATER FRONT/CENTER/SURROUND

### VERSATILE, HIGH-PERFORMANCE IN-WALL

Just slightly more than half the size of the Voyage, this elegant, affordable in-wall offers amazing quality and versatility. Advanced Thin Film driver technology, sophisticated woofer engineering, and no-compromise crossover design combine to produce wonderfully detailed and involving sound. A rigid aluminum chassis and die-cast mounting locks enhance performance and ease installation, while an adjustable tweeter-alignment sphere, paintable end caps, and a selection of grille colors provide incredible adaptability.
